- Cherating Beach

### Reasons:

- Over 60 hectares of lush greenery, different from any resort near Singapore. A huge space for various families activities and the feeling of space.
- Can see exotic animals roaming in their natural habitat.
- Activities and clubs for all children and teenagers (Passworld)
- New adventurous activities such as rock climbing (actual rocks) and tree top unavailable in our other SEA resort.
- 2 private beaches, long stretch and during the school holidays, the weather is generally sunny
- Turtle Sanctuary outside the resort- can never find this near Singapore.
- And most importantly, Club Med All-Inclusive package.

## **2. Is it expensive?**

- No, great savings with our promo.

## **3. Is it far to get there?**

- Yes, it is far from Singapore, but with our coach package, you will arrive Cherating refreshed.
- Comfortable coaches, with personal entertainment

## **4. Would going to Club Med Bintan Island be better because it is nearer?**

- For distance yes, but with the coach package, the journey is very comfortable and would not be tired unlike self-drive.
- Families will enjoy the sense of greenery and space Cherating has to offer compared to Bintan
- With the coach package, the package is affordable than Bintan
